The Pingree line of shoes for men has no equal. I have my spring line open for the trade. Always reliable for wear and style in Germetell box calf, vicid kid, button calf and glazed calf. The advices from the largest factories are that shoes have advanced. This may be true, but my stock is full of good things for the ladies in the Ultra line; also the Rockford shoe. These are the best because they wear well, hold their shape and have style. No advance in price.

We have some very nice suits for boys. The stock has been carefully selected and never before has the little man's suit been so good and so cheap. A GOOD WATCH, warranted for one year, GOES WITH EVERY SUIT.

We've made special provision for you, with the finest assortment of plain and fancy shirts you ever had a chance to take your pick from.

They're Cluett and Monarch shirts—none better made; the Cluett full dress shirt will suit you. There's money to be saved in buying them.

Underwear For all wool garments the Staley excels all others. Fits right, wears well and doesn't shrink.

The Roswell Hat is always reliable in style, non-breakable in quality and carries the "chic" idea. My stock is complete, all colors in new shapes.

#### COURT CONVENES

##### Damage Suit Against County Over a Road.

District court convened on Monday with Judge Harrington presiding. A damage suit against the county was the first matter called and the trial is now in progress.

The suit is brought in the name of Sarah O'Donnell, who asks damages to the amount of \$3,000 by reason of the establishment of a road which cuts through the O'Donnell land near Inman.

Others are also involved in the suit,

M. Gallagher having a claim for damages in the sum of \$300 and Peter Ryan for \$40.

M. F. Harrington is prosecuting the suit and County Attorney Mullen is looking after the county's interests.

In 1903 a road was established by the county board running across sections 11, 3, 4, 33, 32, 29 and 30 in townships 27 and 28, range 10. The board allowed the following amounts as damages to land owners on November 6, 1903:

Patrick Doherty, \$100; Sarah O'Donnell, 250; Peter Ryan, \$40; M. Gallagher, \$50; Antony Ruddy \$35;

Arthur Smith, \$50; Levi Van Valkenburg, \$35.

The cases as scheduled for trial now are to come on in the following order: Friday, March 16, First National bank of Tekamah vs. Andrew J. McClanahan, replevin.

Monday, March 19, State vs. Irwin, criminal. A retrial of Myron Irwin, charged with the murder of Robert Kearns some eighteen months ago.

Friday, March 23, State vs. James R. Thomas, felony. This case grows out of an altercation between Thomas and Thomas McPharlin on the streets of O'Neill on March 6. The preliminary

hearing was had before Justice J. A. Golden last Friday, the complaint reciting that Thomas, on March 6, "then and there in and upon one Thomas McPharlin then and there unlawfully and feloniously and purposely did make an assault on the said Thomas McPharlin and did strike, beat and wound" him etc., with intent "to do great bodily injury." The justice held the defendant to the district court on bonds of \$100.

Monday, March 26, is the date set for a retrial of the Nicholizack case, details of which Frontier readers are already familiar with.

This is the present arrangement for the disposition of the important cases, although some alterations may be made according to the length of time required for trial of each case.

The case of the county of Holt against the Elkhorn Valley bank and bondsmen for security of county funds is also set for trial this term, but the date of hearing has not yet been fixed.

# More New Goods

Every day we hear this expression, "More new goods," and still they come. New goods in every line of merchandise, new dress goods of all kinds, spring suitings and summer fancies, new trimmings, collars, tinsel belts, purses, combs, shirt waist sets. Our line of summer shirt waists not only rival but far surpass the productions of previous years.

Don't make muslin underwear when you can buy ready made garments for the prices we are selling them. Our new shoes and oxfords are now in, and it is unnecessary to describe the style and quality of our Huiskamp shoes. When in the store look over our line of rugs and lace curtains.
